

Special invitation to a Hispanic Executive Society Event on Tuesday Nite, June 03, 2008

COMMITTEE REPORTS

EDUCATION

Chairman George Ronchaquira, reports good feedback from a major event for the Lone Star College for a Fall program for Hispanics in October 2008. The career day provided Hispanic juniors and seniors information useful in preparing for their college education. Industry and discipline experts from Technical Schools, Engineering, Accounting/Finance, and Administration, and other skill sets. The goal is to educate Students about the opportunities in various careers. Joe Ramirez met with the University of Houston, HSBA-Bauer and was invited to consult with the Hispanic seniors in 2008-2009 by guiding them to get the best employment offers and learning how to market themselves to companies that do not recruit on campus.

HISPANIC HERITAGE

Patricia Lopez, 281-359-1210 is the Chairman of this committee. Also planned activities, are for the July 4th parade entry and the September Heritage month celebration. Patricia recently got the HESI banner for display at the parade and when we have kiosks. Got any creative ideas, contact Patricia.

SPIRITUAL

Joe & Rosa Ortega, 281-359-7405, are available for prayer, marriage enrichment, and family matters, they dedicate their lives to the Lord. Both have and international history of helping business owners, individuals, couples, and family issues with counseling and spiritual enrichment. Joe & Rosa invited Victoria & Joe to appear on TBN network and filmed a special program where they were interviewed and discuss HESI and how it would help Hispanics. The program is expected to be shown to 22 million viewers in North, Central and South America. Contact them at SpiritualAdvisors@hispanicexecutivesociety.org

EMPLOYMENT & CAREERS

Looking for a full time, temporary or summer job or would like to notify us about needing a person for a job for a Hispanic employee? 281-359-2108 vramirez@josephchris.com.

HUMANITARIAN

Adriana Martinez, 281-813-4158, is the Program Chairman and would like a volunteers to help her administer a silent auction at the December Gala with proceeds donated to a non-profit local firm.

ENTREPRENEURSHIP

The next event is scheduled for June 21st, 2008 at 8:30 to 12:00 noon. This session covers review of your Business Plan, How to develop a Marketing Plan, determining the best legal entity and IRS Reporting Requirements. Joe Ramirez began JCP Inc. in 1977 and it is headquartered in Kingwood. His experience involved founding (4) companies who are profitable and successful. **Attendees must RSVP at 281-359-2101.** There is no charge for the meeting and all community area citizens are urged to attend, regardless of ethnic background or gender. Hispanic Entrepreneurship is encouraged by HESI and the opportunities are now available for ambitious who want to work hard and have direct control over their destiny and compensation.

You are invited to join us at HESI's monthly meeting at 4501 Magnolia Cove #201 on Tuesday, June 03, 2008 at 6:30 to 8:30. The office is located across from Chimichurri's and Raffas. Join us for Hispanic Celebration and listen to our guest speaker discuss medical impact of drugs! Bring a guest and your children, it will be a very important new information about how this alarming use of drugs is proving to be a big concern amount the medical profession.

DR. CARRANZA, MD. ILLEGAL DRUGS AND IT'S GROWING IMPACT

Born in Mexico City, he graduated with honors from National University of Mexico. During his career, he has served as an MD, Psychiatrist, Professor and Instructor for various notable universities and notable hospitals. He is licensed in Mexico, California, and New York, Mississippi, and Texas. His medical practice spans three countries, Mexico, France, and USA..
